FOR IMMEDIATE RELEASE

### **Sun & Moon Capital Launches an Exciting Internship Program to Foster the Next Generation of Private Equity Talent from tier four and five colleges and universities.**

Dallas, Texas, 2/13/24 – Sun & Moon Capital., a micro-market buyout private equity firm, is thrilled to announce the launch of its inaugural Internship Program aimed at nurturing the next generation of private equity talent and providing valuable hands-on experience in the dynamic field of private equity.

The Internship Program is designed to offer undergraduate and graduate students from tier four and five universities a unique opportunity to gain practical experience, develop essential skills, and work alongside industry experts on deals and inside portfolio companies.

"At Sun & Moon Capital., we are committed to fostering talent and empowering the next generation of private equity professionals," said Javar Avery, CEO of Sun & Moon Capital. "Our Internship Program aligns with our company slogan, which is investing where others aren't, and our impact mission, which is to bring underserved resources into underserved markets, propelling those resources and markets to achieve better results."

The Internship Program will allow participants to work on various deals spanning various industries. Interns will be able to engage in hands-on learning, attend management calls and site visits, and receive mentorship from experienced professionals in the field.

The Internship Program is open to students pursuing degrees in finance, data science, human resources, and marketing and communications from partner affiliated colleges and universities. Interested candidates can follow us on Handshake and apply online through Handshakes website, [www.joinhandhake.com](http://www.joinhandhake.com).

If your college or university is not an affiliate partner, please visit our website, [www.sunandmooncapital.com](http://www.sunandmooncapital.com), and fill out the Contact Us form, letting us know your interest in being an intern.
